Julianna,

I will contact Orlando Ramirez tomorrow morning. I will ask the zoning hearing to be postponed until after our neighborhood meeting

this Thursday evening. I agree the neighborhood members need to be informed and their collective wisdom will give the guidance we'd all like. I hope you will stand-up and be heard on this issue, at the meeting.

Gordon Grabill

Hello Gordon,

Just trying again to get in touch with you. As previously referenced to you via email and as posted on nextdoor.com, Orlando Ramirez has very generously offered to request a postponement of the public hearing regarding ZONING CASE Z-2019-10700192.

(<https://sanantonio.legistar.com/LegislationDetail.aspx?ID=4157028&GUID=5FCE9ADF-63A7-4FB0-91DC-820C40D4D29A&Options=ID%7cText%7c&Search=Walzem>).

As we have not had a neighborhood meeting in a very long time, and unfortunately this meeting was scheduled after the zoning hearing on Thursday, October 17th, I think it would be in everyone's best interest to postpone the rezoning hearing. I have visited 10-15 residences just on my street, (Castle Green), and no one had heard anything regarding the upcoming rezoning request. In fairness to all of the neighbors in Camelot 1, let us take advantage of Orlando's offer in order to give everyone a chance to ask questions and/or express concerns at our neighborhood meeting on the 17th.

As President of C1NA, it would be great if you could contact him in support of this.

Thank-you,

Julieanna
